

Media Consent Form

Hearing Australia seeks permission to use the following material for any marketing, publicity and or promotional purpose:

- audio recordings, photos, video (**‘the Media’**) in which you or your child appears
- testimonials (verbal or written) made by you or your child,
- the name, age, organisation and/or personal story of you or your child (**‘Personal Information’**),

referred together as **‘the Material’**.

Granting Permission

By completing and returning this Media Consent Form, you are granting permission for Hearing Australia to use:

- the Media and/or testimonials made by you or your child in any medium (including print media, and/or on websites including social media),
- the Personal Information included in any Material which may identify you or your child by name, age, organisation and/or personal story.

You acknowledge:

- the Material will be used to promote hearing health and/or Hearing Australia’s products and services,
- Hearing Australia can use the Material indefinitely,
- the testimonial represents you or your child’s genuine opinion of the products or services provided by Hearing Australia,
- you or child will not receive any payment or royalties from the publication of Material used by Hearing Australia,
- you will not make any claim against Hearing Australia arising out of the use of the Material by Hearing Australia.

Privacy and Your Personal Information:

Your personal information is handled in accordance with the Hearing Australia Privacy Policy which is available free of charge at any Hearing Australia centre or online at www.hearing.com.au/Corporate/Privacy-Policy
